

To whom it may concern,

I am writing this letter to express my support for the ministry of Worldview Warriors. The ministry that I steward has been blessed to have a partnership with Worldview Warriors. They have helped equipped me and my students to impact this generation for Jesus.

Worldview Warriors provided a speaker for my guy's retreat. He spoke to a small group of guys and equipped them to live out their lives for Jesus Christ. He equipped them with God's word and gave them tools to live successful Christian lives, all the while helping them see what needed to change in their life to be more like Christ, which is a difficult thing to do.

Jason (President of Worldview Warriors) has allowed me to meet with him in person and talk with him over the phone about youth ministry. He played a key role in helping me remember the basics of youth ministry. He also helped me think through the details of ministry that I am not good at.

Worldview Warriors has made an impact for the kingdom of God. They equipped guys for purity and challenged them to seek Christ with all their heart. They have also helped me personally by equipping me with tools for ministry. If you have any questions regarding my letter, please feel free to contact me at 740-954-1054 or email me a [jriffle@villagechapelchurch.org](mailto:jriffle@villagechapelchurch.org).

Peace and Blessings,
