To Whom It May Concern:

I would like to recommend, Jason DeZurik for his excellent job in training and equipping our staff at Old Fort Church in 2017 and 2018. Throughout his time of training, Jason has shown us more efficient ways to run Christian ministry at our local church. More specifically, he has demonstrated how we can set ourselves up for success by creating detailed outlines for various jobs and positions known as PRDs or Performance Results Desired job descriptions.

For me personally, using this model, it has helped me free up many hours that I desperately needed in other areas of ministry. I have been able to accomplish more with learning how to better direct and assist volunteers I work with on a weekly basis.

Jason has also displayed a wide range of Biblical knowledge to our staff, youth group and congregation. Specifically, his knowledge in areas such as: Creationism, the book of Genesis, and the Old Testament has been enlightening to me and other members of our church to hear Truth told in light of a "Biblical Worldview."

Jason's ministry has been a blessing to Old Fort Church by receiving further knowledge of how the Bible brings life to those who know it and live it out. This is an important message for our nation that seems to be pushing the Word of God further and further away from itself. We are at a time in history where this Message is critical for the world to hear it.

I highly recommend Jason to continue this work that God has placed before him in his future endeavors. It is clear that many others would benefit from his numerous years of experience and knowledge in Christian staff training and understanding the "Biblical Worldview."

Sincerely,

Matt Hartman
